2025 Christmas Newsletter from the Lovelocks in Sunninghill

12:15pm (1215z GMT/UT/GPS Time) Friday 19th December 2025. on www.gpss.co.uk/xmas25.htm

Seasons Greetings All ! I've been writing these Christmas Newsletters since 1995, online since 1996. Tap or Click on Father Christmas, at the top, for our 1996 Newsletter. Look at the date near the top: the online copies below may have been updated. Tap or Click on pictures to expand, visit links, relevant pages, or play videos. Homer is on "Christmas Guard Duty" again, helping our cat Tody and Bentley keep an eye on our property. The Flatulent Fairy, now has it's own Christmas Tree :-)

My mugshot is linked to www.GPSS.co.uk . That photo on the right, taken in December 2024, is for those who say my mug shots make me look too young, and/or they don't recognise me with a beard :-)

In 2025, yet more "photo trail" videos were added to www.youtube.com/user/RobinLovelock/videos showing life with the Lovelocks in Sunninghill, and the state of our house and garden. It is better than it ever was - but needs "Property Maintenance" work -

particularly indoors ! Some will hate, but some may like, these videos on the right, of the many ;-)

Significant events during 2025 and background activity ...

- June's health better after coughing diagnosed by Jo King 8th April as "late asthma" :-)
- [Pam Coughlan](#) 's Funeral in Exeter & lovely trip 20 - 21 February.

BLACKBUSHE AIR DAY 2025 with June & Robin Lovelock

June Lovelock on Youtube

June has been happy to drive, and walk short distances, such as down into our village of Sunninghill, to visit the Bansals and/or shop in the newly opened Tesco Express. She continues with housework, watching TV, and now regular games of tennis. Robin's complaint is that both June and Samantha watch too much tennis on TV, rather than getting out of the house, to work and play :-)

June's Youtube Channel is on our [Contact](#) page, as is [RobinsCV](#) :-) In 2024 June provided Robin with materials to complete the flatulent fairy - complete with handbag and expensive jewellery, but it took most of 2025 to complete, with high heeled shoes and tree :-)

Tap on a Printer to print 2 page version of this newsletter, in "P" (Portrait) mode. Yes, this online Newsletter on www.gpss.co.uk/xmas25.htm may grow ! - the online copy, if not the PDF :-)

Tap on the rocking chair to visit [Robin's Robin's Grumpy page](#) with interesting and/or important topics ---->

Below are two photos published on that [78th Birthday Party Page](#) : June enjoying her 54th Wedding Anniversary cake in La Sorrentina; Robin's favourite photo from the party :-)
